2009-2010 Corporate Membership Proposal
Ogle County Employees

Corporate Membership Details:

1) All Ogle County employees (full time and part time) and board members are eligible for the corporate membership offer. Employees must show proof of employment to receive the discounted rate.
2) Employees and board members wishing to participate in the 2009-10 corporate membership offer must register at Nash Recreation Center between the dates of August 10th – 15th, 2009. No memberships will be allowed after August 15th unless the County hires a new employee who wishes to participate. Employees who are on vacation during the enrollment week will be allowed to sign up within one month following the enrollment period pending a letter of acknowledgement from their department supervisor.
3) Payments can be made in full at the time of registration or through payroll deduction (maximum of 4 pay periods). Employees who wish to participate in payroll deduction must do so at the County Treasurer's Office after registration at Nash Recreation Center.
4) Employees who participate in the corporate membership program will be allowed free access to the fitness center, pool, basketball courts and racquetball courts.
5) The corporate membership program is set up for a discount on membership fees, not program fees. County employees will be required to pay full price for all Oregon Park District programs they wish to participate in. County employees who reside outside of the Oregon Park District boundaries will be required to pay non-resident fees for programs.
6) Membership refunds will only be considered for relocation or major illness/injury. Refunds will be at the Oregon Park District's discretion.
7) Ogle County must submit a complete listing of all employees and board members prior to August 10th.
8) OCUSD made a payment of $2000 in 2008 in exchange for reduced membership rates for their employees. The Park District would require a similar payment in 2009 to offset the same reduced rates.
