5. The Committee and County Engineer reviewed the 2009 year end budget statement in depth. Overruns in line items such as equipment, repairs, ice control, etc were more than offset by cost cutting measures in other line items. The department budget was controlled very well to offset unexpected cost increases.
6. The Department will have the annual Retired Highway Department Employee Luncheon on December 17th.
7. The County Engineer and Committee reviewed the departmental hiring/pay schedule.
8. The County Engineer and Committee reviewed the 2009-10 snow removal procedures.
