VI. Business & Communications

A. Unfinished Business

1. Creation of the Departmental distracted driving policy is underway and will be ready for presentation next month.
2. The Committee and Count Engineer discussed implementation of new employee physical requirements.

B. New Business

1. I.A.C.E. Legislative Committee – Nothing new.
2. I.A.C.E. Revenue Fact Finding Committee – The Committee will be investigating new revenue sources for highway construction.
3. Next Meeting – **Tuesday February 9, 2010, @ 10:00 AM,**

Lettings: Township Aggregate  
Township Calcium Chloride  
Township Pipe Culverts  
County Pipe Culverts  
Back up Generator (?)  
Office Flooring (?)

4. **2010 Project Status Report:**

Steward Road Overpass -65% complete, shut down for winter

5. The County Highway Department and Township Highway Departments across the County work very closely together. To be proactive and take that intergovernmental cooperation a step further, the County Engineer will approach those Township Road Commissioners about implementing a mutual aid agreement. This agreement would facilitate two-way cooperation during an event and assist agencies in getting the proper reimbursement from emergency management agencies.

6. One of the Department's snow plows was rear-ended by a mini-van last evening. There were no injuries. There was approximately \$500 damage to the snow plow. There was considerably more damage to the mini-van.

7. The Committee members thanked the employees of the Highway Department for doing a great job of snow and ice removal this winter, including Christmas Day and New Years Day.

VII. Public Comment

There was no public comment at this time.

VIII. Meeting adjourned at 11:30 A.M. by Chairman Huntley.

Minutes submitted by Curtis D. Cook, PE
