JOINT BRIDGE AGREEMENT RESOLUTION

Section 08-07121-00-BR
Forreston Township
Ogle County

Section 08-01128-00-BR
Cherry Grove-Shannon Township
Carroll County

WHEREAS, it is provided by Statute that bridges or culverts on County Line roads, and bridges or culverts within eighty rods of the County Line upon a County Line road, shall be built or repaired by such Counties and the expense of such be prorated to each County based upon the assessed value of properties in the respective Counties, according to the last preceding equalized assessment thereof prior to such construction or repair; and

WHEREAS, it is further provided by Statute, that when any County desires to construct or repair any such bridge or culvert, and has appropriated its share of the cost of construction or repair to same bridge or culvert, it shall be the duty of such other County to make an appropriation for its proportionate share of such construction or repair; and

WHEREAS, the public interest of both Ogle and Carroll Counties will be served by the improvement of certain bridges or culverts on a section of County Line highway, said section being described more specifically as: Brookville Road (Ogle Road) on the County Line between Ogle and Carroll Counties near the Northwest corner of Section 10, T. 25 N., R. 7 E., of the 4th P. M.; and

WHEREAS, the construction cost of said improvement is estimated to be Forty-three Thousand Eight Hundred Dollars ($43,800).

NOW THEREFORE, BE IT RESOLVED, by the County Board of Ogle and Carroll Counties that they do agree to share the estimated cost of Forty-three Thousand Eight Hundred Dollars ($43,800). The estimated prorated cost to Ogle County based upon its 2007 Assessed Valuation of One Billion Four Hundred Forty-seven Million Two Hundred Sixty-eight Thousand Four Hundred Seventeen Dollars ($1,447,268,417) being Thirty-five Thousand Two Hundred Fifteen Dollars ($35,215); and the estimated prorated cost to Carroll County based upon its 2007 Assessed Valuation of Three Hundred Fifty-two Million Seven Hundred Six Thousand Two Hundred Thirty-nine Dollars ($352,706,239) being Eight Thousand Five Hundred Eighty-five Dollars ($8,585); or as much as may be necessary due to the actual construction costs of said section.
