VanVickle stated he will approach the 911 Board regarding a pre-planning program that would allow him to send a mass message to other agencies at one time. VanVickle stated it would be utilized in emergencies for example an active school shooter.

Nordman distributed the General Fund Budget Performance report for the Committee to review.

VanVickle informed the Committee that the North parking lot has been striped and numbered; it will be Judicial Center assigned employee parking only starting on Monday. Judges and their staff will have parking assignments in the South parking lot. VanVickle asked the Board Members to be conscience of where they park when they are here for a
