Michael Reibel, Planning & Zoning Administrator

Introduction

The information contained in this package is to help you become familiar with the various requirements which must be met before an application for an appeal is accepted and also to prepare you to provide testimony and address any questions which might be raised at the public hearing.

Illinois Compiled Statutes, Chapter 55, Section 5/5 -12011 and 5/5 -12012 et. seq. contains statutory provisions relating to Administrative Appeal. Once your application is accepted, the entire appeal process generally takes approximately 30 to 45 days to complete. Careful and proper preparation of your application is essential and, in the long run, you will save considerable time and expense for both yourself and the County. If you should have any questions, please feel free to call the Ogle County Planning and Zoning Department at (815) 732-1190. If you wish to visit the office to discuss your application, please call ahead for an appointment.

Before Filing the Application

You are strongly urged to meet with the Planning & Zoning Administrator before preparing an application. The Planning & Zoning Administrator will advise you on the correct form to use, how to complete the application, explain the procedures involved and attempt to identify potential problems which might be encountered. An appeal may be taken by any aggrieved person or by an officer, department, board or bureau of the County. An original application shall be filed with the Planning & Zoning Department.

Filing the Application

The following documents, information, and the correct filing fee must be submitted in proper form before any application will be accepted for processing.

- **The Application:** The application must be prepared in essentially the same format as the attached sample application (pages 3 & 4). A blank application is also attached (pages 5 & 6).
- **Application Fee:** The application fee in the amount of \$300.00 shall be paid at the time of filing an application.
- **Disclosure:** Whenever applicable, the following disclosures must be made:

When the applicant is a land trust or trustee of a land trust, the application shall identify each beneficiary of such land trust by name and address and define each beneficiary's interest therein. All applicants shall be verified by the applicant in his or her capacity as trustee.

When the applicant is a corporation, the applicant shall include the correct names, addresses and percent interest of all stockholders or shareholders owning any interest in excess of 20 percent of all outstanding stock of such corporation. If the corporation has no shareholders, a statement to that effect shall be submitted.

When the applicant is a business entity doing business under an assumed name, the application shall include the names and addresses of all true and actual owners of such business or entity.

When the applicant is a partnership, joint venture, syndicate, or an unincorporated voluntary association, the application shall include the names and addresses of all partners, joint ventures, syndicate members, or members of the unincorporated voluntary association.

- **Maps:** If the appeal involves a parcel of land, certain information should be graphically shown on maps which must accompany an application. If any map to be submitted measures larger than 8-1/2" by 14", fifteen copies of such map must be submitted. The following information may be shown on these maps:
 - ▶ The parcel subject to the appeal (a plat of survey is preferred, if available).
 - ▶ The dimensions and acreage (or square footage) of the subject parcel.
 - ▶ The location of all improvements, if any, on the subject property and the distances of these improvements from all property lines.
 - ▶ All existing **uses** (e.g. "house", "pastureland", "gas station", etc.; not to be confused with zoning district) on all adjacent properties within 500 feet of the boundaries of the subject property (tax maps, which show individual parcels at a scale of 1"= 100' or 1"=400', are useful base maps for this item and are available from the Ogle County Supervisor of Assessments or the Ogle County GIS Committee). The map shall also show the current names of all roads within 500 feet of the property.
 - ▶ Approximate locations of natural resources such as steep slopes, woodlands, floodplain, wetlands, etc. present on the property.

The Public Hearing

The public hearing is generally held approximately five weeks after an application is accepted and filed. The time of the hearing is scheduled by the Zoning Board of Appeals (ZBA), and the hearing is held in the Ogle County Courthouse, Oregon, IL or other location designated by the ZBA. The attached sheet (page 7) outlines the procedure followed by the ZBA at the public hearing. In addition to the filing fee, you will be billed separately for the cost of publishing the legal notice of the hearing in the newspaper, and for the actual cost of the public hearing (court reporter fees).

After the Public Hearing

Once the public hearing is concluded, the ZBA may make its determination on the day of the hearing after the testimony has concluded or it may take the application under advisement and make its determination at a continued meeting date. The decision of the ZBA is final. An affirmative vote of three members of the ZBA is required in order to reverse any order, requirement, decision or determination of any administrative official.

Again, the entire process generally takes from 30 to 45 days to complete from the date the application is filed.

NOTE: This is a guide to be used in the preparation of an original petition. An original copy of the application, maps, and all other required documents must be submitted.
