Call to Order

Chairman Rice calls the Ogle County Board Meeting to order at 5:30 p.m..

Roll Call

The roll call shows Messer is absent. The Invocation is given by Bowers and followed with the Pledge of Allegiance.

Approval of Minutes

Chairman Rice asks for a motion to approve the January 20, 2009 Ogle County Board Meeting minutes. Huntley moves to approve, Saunders seconds and the motion carries.

Approval of Reports

Chairman Rice asks for a motion to accept the reports of the Ogle County/Recorder, Treasurer and Circuit Clerk. DeArvil moves to accept the reports as filed, Janes seconds and the motion carries on a voice vote.(Placed on file)

Presentation – Nathan Schwartz – Highway Annual Report

Chairman Rice introduces Nathan Schwartz to the members of the board for the Ogle County Highway Annual Report presentation. Nathan has a PowerPoint presentation on the new salt bin which was built by the employees of the Highway Department.

Presentation – Peggy Friday of GREDCO – Project Alfa

Chairman Rice introduces Peggy Friday of GREDCO to the board and asks for her to present information on the two Tax Abatements which will be presented tonight.

Ms. Friday states the Abatement for Project Alfa is part of the Reinvest in Rochelle Retail Initiative. This Initiative provides a 5-year real estate tax abatement on the incremental EAV upon the approval of all local taxing bodies. Boes inquires if this business met certain qualifications to meet this abatement and not all applicants asking for an abatement on a remodeling project may qualify? Ms. Friday states that is correct – this was just for retail and commercial with a minimum capital investment of \$25,000. They also had to be an existing business with a history of paying Taxes and Sales Tax to the community. There were other incentives from the City of Rochelle, they waived the Building Permit and rebated this back once the project was complete. Barnes asks how many employees are with this company. Ms. Friday states there are about 15 to 20 employees and no new jobs have been created yet. Ms. Friday reviewed the Abatement percentages and amounts with the members of the County Board. Boes asks if there were any challenges from the ones that were denied. Ms. Friday said no there were not.

Presentation – Peggy Friday of GREDCO – Project Buffer

Ms. Friday says the square footage of Project Buffer is 120,000 to 140,000 with a Capital Investment of \$18,000,000 with the creation of about 25 to 35 jobs. Friday states they are competing with Missouri and Wisconsin for this project.

Zoning – #9-08 Special use – David & Paijit Ancona – R-2009-0214 or O-2009-0201

Chairman Rice and County Clerk Huntley present the request from David & Paijit Ancona, 12488 E. Utility Rd., Davis Junction, IL for a Special Use Permit to allow a Small Rural Business (dumpster storage & rental/general hauling of non-hazardous materials including furniture, appliances, construction debris, etc.) in the AG-1 Agricultural District on property described as follows and owned the petitioners:

Part of the SE1/4 of the SW1/4 Section 15 Scott Township 42N, R1E of the 3rd P.M., Ogle County, IL, 5.0 acres, more or less
Property Identification Number: 11-15-300-003
Common Location: 12488 E. Utility Rd.

Hopkins moves to concur with the Zoning Board of Appeals and adopt an Ordinance to approve #9-08 Special Use Permit (O-2009-0201) with the following conditions:

1. All proposals and representations made by the applicant and/or their representative shall be conditions of the Special Use Permit, including, but not necessarily limited to, the installation of screening (6' high fence) as depicted and described on the Concept Plan submitted as part of the petition for Special Use Permit. Said fence/screening shall be installed within ninety (90) days of the approval of this Special Use Permit.
2. There shall be no outside storage and/or accumulation of junk (as defined by the *Ogle County Amendatory Zoning Ordinance*), waste, inoperable and/or unlicensed motor vehicles, etc. on the site.

3. There shall be no storage on the site of dumpsters containing waste materials in excess of twenty-four (24) hours, provided any dumpster containing waste is completely covered or enclosed.
4. All dumpsters shall be stored within the area enclosed by fence/buildings and out of view from the public road at all times.
5. This special use permit shall be valid for a period of five (5) years from the date of approval by the Ogle County Board. The Supervisor of Assessments and Planning & Zoning Committee of the Ogle County Board shall have the delegated responsibility and authority to either extend or discontinue the Special Use Permit upon the expiration of said five (5) year period, giving due consideration to the continued compatibility of the authorized use with the surrounding area and other applicable factors as determined by the Committee. The Committee shall give notice of its intent to act on this matter as provided herein to the owner of the land to which the Special Use Permit applies, to all adjacent land owners, to the Village of Davis Junction, and to Scott Township.

Saunders seconds. Rice asks Hopkins how long has this facility been in business. Hopkins states it has been in business for 17 ½ years. Janes comments on the grave concerns of the water facility which is within 1000 feet radius of the site. Chairman Rice asks if this information was presented during the hearing. Janes said no sir, it was not. Chairman Rice asks what has happened in the last seventeen years with this business being there. Janes states the well has only been put in a couple of years ago. White asks for a roll call vote. Gouker asks for clarification at the end of the 5 year period? Hopkins states the petitioner would have to come back and ask for an extension. Reibel states he would have to come before the Planning and Zoning Committee to either extend the Special Use Permit or discontinue. The ZBA thought the 5 years would be a good time to re-establish discussion. Hopkins asks if this Special Use Permit can be pulled if any of the conditions are not met. Reibel states yes, if there are outstanding violations on the conditions it can be revoked. Reibel says you have to give the landowner an opportunity to fix any violations. Saunders asks for clarification on the well Janes was referring to in his comments. Janes says the well belongs to the Village of Davis Junction. Saunders states they drilled this well after this business has been at this location for 17 years. Janes states he doesn't think anyone knew this business was located at the location since it wasn't zoned. Barnes states they have had problems with this petitioner cleaning up the place. Chairman Rice asks what the other committees have recommended from Hopkins. Hopkins states Ogle County Regional Planning Commission was in favor – ZBA was in favor and the Planning & Zoning Committee was a tie vote. Huntley asks if the Township Planning Commission made a recommendation – Hopkins states the Township Planning Commission sent a letter not recommending this petition. Gouker states his concerns regarding this petition and we should deny this request. Colbert has a question regarding condition #3. Hopkins explains the need to possibly keep a container(s) overnight due to the landfill is closed and he will have to wait until morning to deliver the container(s). Hopkins states he would like to find another place out in the country – but due to the economic times he is unable. DeArvil states he has received several warnings as far back as 1997 to clean his location up and he has not made much improvement. He received a zoning violation in November of 2007 and still hasn't tried to make much of an effort. Reibel states the dumpsters were not there at that time and the past violations were for assorted junk. Boes says he voted no on this at the Planning & Zoning Committee because the property owner has continuously ignored the County Ordinances and State's Attorney notices. A Roll Call vote is taken:

YES: Diehl, Hopkins, Huntley, Kenney, Nye, Saunders, Stahl, Bauer and Rice

NO: Boes, Bowers, Colbert, Colson, DeArvil, Gouker, Gronewold, Heuer, Horner, Janes, Kilker, White, Williams and Barnes

ABSENT: Messer

The motion is defeated on a roll call vote.(Placed on file)
