ADULT/JUVENILE GED PROGRAM (Inception 2007)

Our GED Program serves students throughout Ogle County who were not successful in traditional schools for various reasons. Our GED Program is the last chance for these students before they become a dropout.

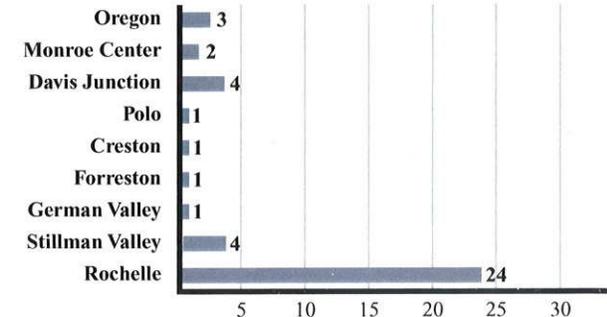

41 GRADUATES

Referred By

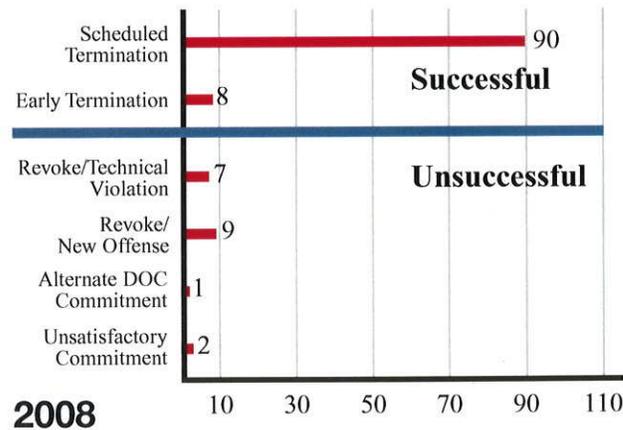

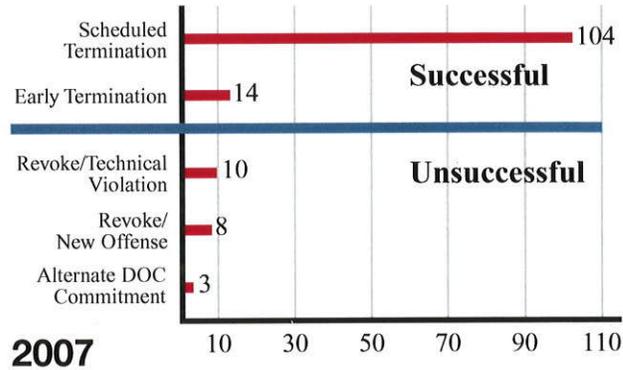

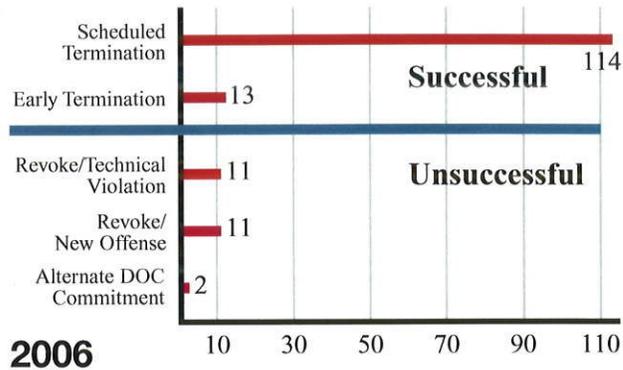

INDIVIDUAL GRADUATES ARE FROM:

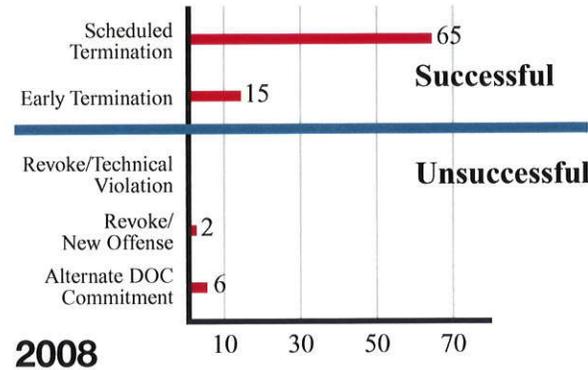

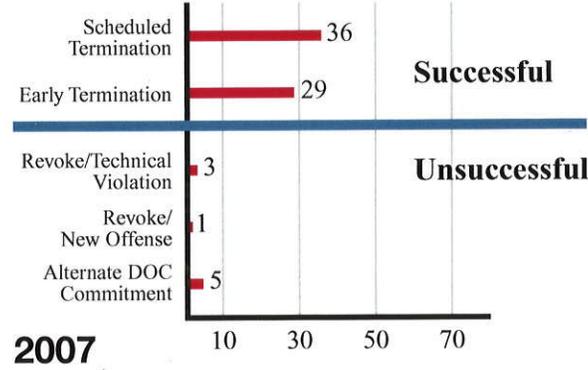

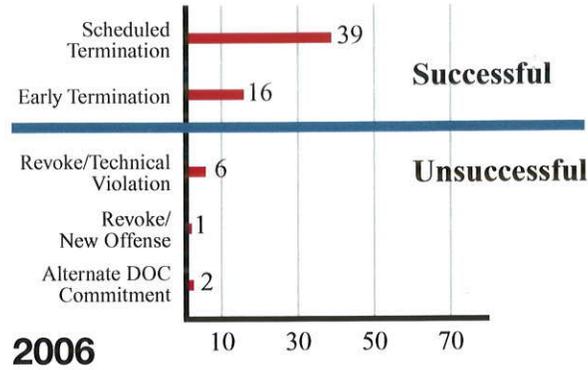

Our GED Program is successful because we take away the barriers that have prevented the students from graduating from high school. Most importantly we for personal relationships with each student enabling them to graduate and encouraging them through the next step in their lives.
