

General Development Plan Ogle County, Illinois

Note: This map depicts the areas in which the County of Ogle envisions various types of development occurring over time. The text of the Ogle County Amended Comprehensive Plan must be consulted for specific development goals, objectives and policy that affect the manner in which this map should be interpreted.

The Ogle County Amended Zoning Ordinance and the Ogle County Land Subdivision Regulations are the primary land use documents that implement the Comprehensive Plan. These documents should be consulted regarding laws that affect the use and development of land.

City, village and/or township comprehensive and land use plans may vary from this map. For land areas that are adjacent to incorporated cities and villages, or are within a township with a township planning commission, the appropriate city, village or township planning document should be consulted.
