OGLE COUNTY YEARBOOK

This Yearbook is a guide to Ogle County Government as well as other units of government within the County. The other units of government have provided us with names of office holders, meeting dates and times and location of offices. We also strive to have the most current information as possible, however, often as soon as we go to press something changes.

The next Yearbook will be published after the next Consolidated Election in 2021.

Please e-mail (countyclerk@oglecounty.org) or contact the office with any updates for the next publication.

Sincerely,

Ogle County Clerk & Recorder

OGLE COUNTY HISTORY

What is now Ogle County was once a part of the Northwest Territory.

The Hopewell Mound Builders were in the Ogle County area sometime between 300 B.C. to 500 A.D..

Our modern Indians occupied Ogle County starting in the 1600’s to the 1800’s. Blackhawk was born in 1767 and died in 1838, six years after the Blackhawk War.

In 1634, the French Fur Traders were the first white men to set foot on what is now Ogle County.

By the Treaty of Paris in 1763 the French possession in Illinois passed to the British.

In 1778, George Rogers Clark and his “Kentucky Long Knives” captured Kaskaskia, Illinois and we were under the control of the State of Virginia.

In 1784, Virginia ceded the Northwest Territory which included Ohio, Indiana, Illinois, Michigan, Wisconsin and a portion of Minnesota to the Federal Union.

Illinois was admitted to the Federal Union as the 21st State on December 3, 1818.

The Legislature formed Ogle County in 1836, which was at that time a part of Jo Daviess County. The name, Ogle, was suggested by Thomas Ford in memory of Captain Joseph Ogle, who distinguished himself for his courage and coolness during the Revolutionary War.

The first session of the Ogle County Commissioners’ Court was held on January 3, 1837, and Oregon was chosen to be the County Seat. Plans for a Courthouse were adopted on December 8, 1838, and in 1841, the building was completed. “The Prairie Bandits” burned the Courthouse before it could be occupied. The present Courthouse was completed in 1891, at a total cost of $106,951.46 for the building and equipment.
In December of 1839, the County Board ordered Oregon City to be called Florence; however, in 1843 it was renamed Oregon. Names of other towns were once different than those used today: Rochelle was called Lane; Byron was called Bloomingville; Polo was called Buffalo Grove and St. Mary’s.

On November 6, 1849, the electorate voted for Township Organization and the Commissioner’s Court appointed three men to divide the county into Townships. They recommended dividing Ogle County into 19 Townships, with an area of 757 square miles. Today we have 24 Townships in Ogle County.

The first special meeting of the Board of Supervisors was held November 11, 1850. In 1972, in compliance with the State Legislature’s decision on reapportionment, Ogle County held its first election to elect County Board members. This replaced the system whereby the Township Supervisors served as the County Board. Through reapportionment in 2010, the county was divided into eight districts with three members from each district. A Township Supervisor may also be a County Board member, but not necessarily.

County Building Projects

A renovation of the interior of the Courthouse was completed in 1984, at a cost of $1,500,000.00. The Courthouse was renovated again in July of 2009, with the discovery of “Memorial Hall” on the third floor.

The Ogle County Judicial Center was built in 2005 and dedicated on August 20, 2005. The Judicial Center houses the Probation Department, States Attorney Office, Circuit Clerk’s Office and courts for Ogle County.

The Ogle County Public Safety Complex which houses the Sheriff, Coroner and 9-1-1 Departments was completed in 2015.

The Emergency Operations Center (EOC) in Rochelle houses a satellite office of the Ogle County Health Department and Ogle County Probation Department was remodeled in 2017.

In 2019 construction began on the Ogle County Judicial Center Annex which will replace the Jail built in the late 1960s.

They shall see that the accounts of all funds are kept in an accurate and comprehensive manner; to see that all financial reports of County Officers are made according to Statute, to report to the County Board those accounts which are overdrawn or likely to be overdrawn and make provision for the payment of all bills approved by other committees or budgeted for annually. In addition, this committee shall be responsible for the procurement of supplies and equipment for the day to day operation of the office of the Treasurer, and to approve the proposed budget for each fiscal year.

The committee shall also be responsible for interviewing and recommending to the County Board for contracting for an annual audit by a Certified Public Accountant.

This committee shall also be responsible for being certain that the County has, at all times, reasonable protection against loss and liability by insurance or surety and to contract for all liability, property, health, worker’s comp and general insurance and all surety bonds (including those pertaining to the individual offices requiring surety) and to see that the policies and bonds are promptly filed with the County Clerk for safe keeping and reference, except such bonds as are required to be filed elsewhere according to Statute.

GIS Committee

The GIS partnership of Ogle County is an intergovernmental cooperative agreement to pool funds to support a county-wide Geographic Information System (GIS)

IT

The committee shall see that all County facilities are provided the integrated equipment, software, personnel and services to provide up to date, cost effective service for all County operations and facilities. The said services must also provide safety and security to all operations within the County for internal and external personnel, partners and the people of Ogle County.

This includes all satellite County owned property along with a 1 and 5 year budget. It will assess and monitor all Capital needs on an annual basis in concert with all Department Heads on behalf of the County.

In addition, it will oversee the acquisition or disposal of land for future expansion, contract for and oversee any, and all construction of new facilities or remodeling of existing facilities.

The committee will also seek to insure energy efficient applications, to be cost effective and recognize the use of Green Projects in conjunction with all current and new facilities and the remodeling of existing facilities, as appropriate and warranted.

The ultimate goal of the committee is to create an Integrated Plan for the completion of a comprehensive county complex, in service to the residents, business/industrial and agricultural communities of Ogle County, for the next 100 years.

This committee shall act as mediator in non-union personnel disputes, but only upon written request from the Department Head or from the employee. Personnel disputes covered by union contracts shall be resolved through the contractual grievance process. At each month’s regular meeting the Committee will monitor pending litigation, collection of fines and fees and expenses charged to the funds that are used by these departments. There will be a periodic review of charges and discussion of rates being charged for residents at Focus House.

The committee will interview and forward recommendations to the entire Board for selected applicants of appointed offices of various commissions, committees and fire districts throughout the County.
